

Stand Info - Extra supplies:

- 1) The back of all **stands** is **against a wall** – there is no way to see through from behind, but **partitions** might need to be placed between the stands in order to prevent them to be disturbed by the adjacent stand/sponsor.

NB. We require a **picture of the stand** latest by **3rd October** to see if any partitions are needed.

- 2) Please note that the **venue does not provide any furniture** if you require **anything**, you would need to **arrange** that **yourselves**. You can also order from **the [webshop](#)**. The **login** will be sent to you from **Exhibitor Services**, if you are missing or have not received yet please contact exhibitorservices@rai.nl or call +3120-549 1928.

- 3) For Exhibitor inquiries please contact the **Exhibitor Services Department**
